Neither

Please list your primary extracurricular and community service activities.

My extracurricular and community service activities include helping out students with math, teaching piano to beginners, recycling, raising money for countries that are in dire need, babysitting, and playing soccer. One community service activity that I have done that changed the way I thought was raising money for the 2015 Nepal Earthquake. While raising the money, I felt like I had taken many things for granted. The victims of Nepal lacked basic necessities, but I had them readily available to me.
